For this week is:

Ada Smart

## Students of the Week

**Nick Walker** – For working really hard at improving his skills in multiplication. You never give up and keep trying even when concepts are difficult to understand.

**Charlotte Wright** – Thank you for all your great help in the classroom with other students and at pack up time.

## Principals' Day

This Friday August 4<sup>th</sup>

Is

Principals' Day and  
School Council President, Leanne Roberts  
would like to invite  
family members, staff and students  
to come together

on

Friday at 2.45pm to celebrate  
Principals' Day.

The event will take place in the Big room.

Families are asked to bring a plate of food to share.

## Headlice

We have had some cases of headlice reported to the school. Please check your children and treat if necessary. Please ensure all eggs are removed to avoid reinfestation.

### **Life Ed visit**

The cluster day and Life Ed visit last week was a busy day. We had groups of students working on Japanese, PE and visits to the Life Ed van.

The younger students worked with Harold the Giraffe on the importance of being a good friend. They learnt how to build friendships and care for others and about feelings and emotions.

The older students did Bcyberwise, this unit focussed on cybersafety, cyber ethics and building positive relationships with others online and offline. They explored issues including password security, risks of sharing personal information, how to communicate respectfully both online and offline and strategies to handle bullying including cyberbullying.

A big thanks to all who provided food for the visiting teachers. We had a lovely spread of food that the Trawalla students enjoyed finishing off at the end of the day.

### **Canberra Camp**

Thanks to the families that have returned the permission forms for Canberra Camp. Forms are due back by Friday August 4<sup>th</sup>.

Reminders:

- Students meet at Trawalla School at 7.00am on Monday August 14<sup>th</sup>.
- Students are to pack a lunch in a backpack for the trip to Canberra.
- Due to allergies no mandarins, oranges, mangoes, strawberries are to be taken on camp.
- The bus returns to Trawalla School at 6.45pm on Friday August 18<sup>th</sup>.

### **BIG WRITE**

Students in F-3 are to write an information report of a leader they know. It might be Kate, Zoe or our school captain, Nick or sport captain Dan. The students in 4-6 are to write an information report about the electoral process. A planning sheet has been given to each child to assist with the planning for Thursday.

Students are to plan their information report at home in preparation for the Big Write on Thursday morning.

### **Woolworths Earn & Learn**

Earn & Learn is on again starting on July 26<sup>th</sup> to September 19<sup>th</sup> 2017.

Trawalla School has a box in the Lucas Woolworth store. Families can send any stickers to school for collection.

For every \$10 spent at Woolworths you earn one sticker.

More Sticker sheets are available at [woolworths.com.au/earnandlearn](http://woolworths.com.au/earnandlearn).

### **Gardening**

A big thanks to Cheryl for weeding one of the garden beds at the front of the school. She also replanted some bulbs that will put on a show come spring time.

We are calling for cuttings to plant in the yard to bring some colour to our school environment. We are looking for geraniums, succulents or anything that will grow from a cutting.
