## Canberra Camp

Thanks to the families that have returned the permission forms for Canberra Camp. Forms are due back by Friday August 4<sup>th</sup>.

Our visit to Questacon coincides with a visit by the Governor General of Australia. Sir Peter Cosgrove will be at the venue when our group is and his people have requested that our students meet with him. To enable this to happen I have attached an extra media permission form which needs to be returned to school by Friday.

## Reminders:

- Students meet at Trawalla School at 7.00am on Monday August 14<sup>th</sup>.
- Students are to pack snacks, drinks and lunch in a backpack for the trip to Canberra.
- Due to allergies no mandarins, oranges, mangoes, strawberries are to be taken on camp.
- The bus returns to Trawalla School at 6.45pm on Friday August 18<sup>th</sup>.

**BIG WRITE**

Students in F-3 are to write a narrative based on a picture that is being sent home today. Students are to talk about the picture and think about a plan for their narrative at home in preparation for the Big Write on Thursday morning.

**Principals' Day**

Last Friday August 4<sup>th</sup> was Principals' Day and School Council President, Leanne Roberts organised an afternoon tea to celebrate this special day. I was presented with a gift, thanks to Zoe for working with the students to create a framed picture featuring the students' names and fingerprints on a tree. Thanks to all the families for their gifts, kind wishes and lovely afternoon tea that was enjoyed by all.

**Woolworths Earn & Learn**

Earn & Learn is on again starting on July 26<sup>th</sup> to September 19<sup>th</sup> 2017.

Trawalla School has a box in the Lucas Woolworth store. Families can send any stickers to school for collection.

For every \$10 spent at Woolworths you earn one sticker.

More Sticker sheets are available at [woolworths.com.au/earnandlearn](http://woolworths.com.au/earnandlearn).

**Gardening**

The recent rain has thoroughly watered our gardens.

We are calling for cuttings to plant in the yard to bring some colour to our school environment. We are looking for geraniums, succulents or anything that will grow from a cutting. We hope to have lots of colour in our gardens when spring finally comes around.
