PATHS STARS

Students of the Week

Nicholas Lloyd – For trying really hard with all of his work and helping in the classroom

Nick Walker – For showing leadership by making good choices and showing respect in class and in the yard.

Reading Awards

Congratulations to James Malloch for completing 25 nights reading.

Drink bottles

This week is forecast to remain very hot. I ask that all students bring a refillable water bottle to school each day. This way we can ensure that the students stay hydrated in the warm weather.

Absence Days

It is vital that all students attend school every day. Students cannot learn if they are not at school. If a student is away they are marked as absent on the school roll. A reason for the absence must be recorded with the absence. The school needs to know where students are at all times. If your child is going to be away the school needs to know why. This information can be sent as a text to Kate on 0408 519914 or ring the school on 5349 2047 on the day that the student is absent. If the school is not notified by 9.30am of a reason for the absence, the school will ring parents/guardians to find out where the student is and why they are not at school. In previous years our school has recorded very high absence data, in particular a lot of

days were coded as unexplained absences. Our aim is to lower the absence data for 2017 and onwards. We look forward to your assistance with the matter.

Final Cluster Day for term 1:

Thursday March 16 – Natte Yallock

(Overnight leadership camp for years 4,5&6)

4-6 Cluster Leadership Camp

The Principals of the 7 schools have been working together to provide students wider opportunities to develop friendships and leadership. We are once again conducting an overnight camp for students in grades 4,5 & 6, to be held at the Natte Yallock school on Thursday March 16th 2017. This is the evening of the Natte Yallock cluster day which will mean that the 4-6 students will attend the cluster day as usual and then stay on for the sleep over at Natte Yallock. Kate will be attending this event with the students and bring them home by her car by 3.30pm the next day. The cost per student for this activity is \$10.00 to cover 3 meals and snacks.

Students are camping over night, they need a swag or mattress and bedding. If anyone has a small tent that would be great too.

*****Students will need to pack bathers too! *****

Headlice

We need all families to regularly check and treat children who have headlice.

Students are to be treated and lice and eggs removed before children attend school.

This will assist our school to be headlice free.

School Fees

All students have been issued with stationery, books and computer subscriptions for 2017. The cost to families is \$80 per child. Attached is the itemised document which outlines the charges and method of payment. Families are asked to pay these costs by March 28th, 2017. Thanks to those who have already made this payment.
