The folder has a daily running sheet for families to follow each day. Each day has reading, writing, spelling and maths activities. The plastic envelope has activities that can be completed at any time throughout the week. Art for week 6 explores different drawing and colouring techniques, the instructions are in the folder. There is also another Wellbeing sheet to work through.

## Prep Update

This week the preps did their first EVER reading running record online via Webex. They all did such a good job and I am very proud of how hard they concentrated. Thankyou to the grown ups at home for supporting the preps through their activities, we wouldn't be able to do it without you.

### Week 6

This week we are looking at shapes! Get outside and have some fun. The letters that we are working on are S,A,T,P,I,N,M,D. We have learnt so many letters and are getting very good at making 2 and 3 letter words. This is the last week of learning online for the preps, make the most of it and enjoy having a different teacher. I am looking forward to seeing you all on the 26th of May.
