Trawalla School Values Awards

Tom Palmer - For showing **High Expectations** by sounding words.

Sienna Shepherd - For showing **Respect** by following instructions.

Zavier Mountney – For making **Good Choices** to thank others when they have helped him.

Semester One Student reports

All students will receive a report for semester one on Tuesday June 23, 2020.

Due to remote learning through the COVID -19 lockdown schools have been instructed to provide the following.

In recognition that schools have adopted revised teaching and learning plans for Term 2, schools must provide:

- a description of the areas of the Victorian Curriculum F-10 taught
- a succinct descriptive assessment of student learning achievement, based on the Achievement Standards in the Victorian Curriculum F-10 for the subject areas taught
- a comment on how the student has adjusted to the remote and flexible learning environment, with reference to the Personal and Social Capability curriculum.

If sufficient assessment evidence is available, schools can choose to use a five-point scale for relevant subjects (this is optional and not a requirement of reporting this semester).

The Trawalla student reports for semester one will not have the dots (the five-point scale) on the second page this semester.

Trawalla is a Childsafe school

Parent-Teacher Interviews

Student reports will be sent home on Tuesday June 23rd. Parent-Teacher Interviews will take place on Thursday June 25th. Miss H will be available from 2.45pm and Kate will be available from 3.45pm. Attached is a slip for families to fill in their interview time requests.

School Council

We will meet here at school on Tuesday June 23rd from 7pm.

Principal Admin Day

Now that Miss H is working full time she will be teaching F-6 on Tuesdays to provide Kate with admin time in the office. This has commenced today.

COVID Update

A reminder that drop off time is still 8.50am. If you arrive after 9am and your child is not happy to walk into school on their own ring the school and we will come out and meet you at the gate.

End of the day pick up routine is still for adults to stay at their cars and staff will bring students to the cars.

Medication

Students that require to have any form of medicine administered at school are required to have a "Medical authority" form filled out. I have attached to form to this newsletter. Families are asked to complete this form as needed.

Japanese

The lesson for Japanese continue to be delivered by Ken face-to-face each Thursday afternoon. The Japanese website is still being updated each week for anyone who is interested.

www.japanese4schools.com.au

Reading Awards

Congratulations to:

100 nights – Xavier Mountney

Parenting Ideas

Our school subscribes to weekly Parenting Ideas newsletters. Today I have attached an article titled, "What content are children watching?"

PE

This week we have started working on kicking skills with Lachie. This is a fabulous activity that can be done in any weather, either on the oval or undercover.

MARC Van

Our next visit from Kathy is Friday June 19th. Remember to return your books in a waterproof bag.

Webex Cluster Assembly

Our first cluster Webex assembly took place yesterday. We joined in with students from the cluster schools (Amphitheatre, Elmhurst, Landsborough, Moonambel, Natte Yallock and Navarre) We we read the 'Welcome to Country', we sang the first two verses of the national anthem and we celebrated birthdays for May. We had a sing-a-long led by Ms Jenkins from Elmhurst and then we learnt about the Cluster sponsoring an animal from the Halls Gap Zoo. This month we are sponsoring the red panda. I have attached an information sheet about the red panda. Next week's assembly will have a quiz based on the fact in the red panda information fact sheet. Year 4-6 students from across the cluster are invited to apply for a position on the Cluster Junior School Council. Students who are interested are to present a speech at next week's assembly, all students will vote and the four most popular will be named captains and vice-captains of the cluster.

Science

Each week this term the students have been learning about a bug.

Today they learned about snails.

To conclude the session they made slime with Miss H and Megan.
