COVID Update Term 3

We will continue to keep the same routine next term. Drop off time is still 8.50am. If you arrive after 9am and your child is not happy to walk into school on their own, ring the school and we will come out and meet you at the gate.

End of the day pick up routine is still for adults to stay at their cars and staff will bring students to the cars.

Webex Cluster Assembly

At yesterday's Cluster Assembly Year 4-6 students from across the cluster presented speeches to apply for a position on the Cluster Junior School Council. Our very own **JAMES MALLOCH** presented his prepared speech. He dressed in a suit for the occasion. We congratulate James on a wonderful speech and fingers crossed he does well in the voting.

Hello my name is James, to start off I will tell you a little bit about myself. I am 11 years old & I am in grade 5. My last name Malloch but most of my family's last name is Wakeham. I go to Trawalla Primary School, I have gone here from prep to now. I love gaming, sports, board games & hanging out with my friends.

Okay let me tell you why I want to get this position. First I would love to be involved in making plans for the cluster and I want to make schools awesome, fun, cool & an enjoyable place to be.

I also want these schools to be known across the land. It would mean the world to me if I can be very helpful if someone is sad or mad.

If I get this position I will make stuff like special days, ideas to make things but also to let the voters vote on more things for it to happen and that is why I would be great at this position.

Have a great day everyone. James
