Mid-Year Monitoring Survey

Attached to the newsletter today is a survey for all families relating to the remote learning period during Term 2. Schools have been asked to collate information on how they approached the teaching and learning during the COVID lockdown, how students and families coped with the remote learning and whether or not schools provided support to individuals when it was needed. Please take the time to complete the survey and return it to school by Monday July 20 at the latest.

Parent-Teacher Interviews

A big thank you to all parents who attended the Parent-Teacher Interviews at the end of Term 2. It was fabulous to share the wonderful progress the students have made this semester.

COVID Update Term 3

Although parts of Melbourne are back in to remote learning and lockdown, Trawalla is still open for business. There are still protocols to follow to ensure the safety of everyone.

- Drop off time is still 8.50am.
- If you arrive after 9am and your child is not happy to walk into school on their own, ring the school and we will come out and meet you at the gate.
- Please stay at your own car at the end of the day, you may get out to wait for your child but please stay at your own car.
- Teachers will accompany students to the cars at the end of the day, we are available to chat at this time if you have any questions about the students' day.

Japanese

The lessons for Japanese continue to be delivered by Ken face-to-face each Thursday afternoon. The Japanese website is still being updated each week for anyone who is interested.

Triple P – Positive Parenting Program www.triplep-parenting.net.au

The Victorian Government has funded the online Triple P – Positive Parenting Program for all Victorian families. Families can access free expert parenting advice through the online program.

The program is relevant to families with children aged between 2 and 16 years and provides strategies to deal with specific challenges, such as building children's resilience and dealing with conflict.

It gives parents strategies to:

- raise happy, confident kids
- manage misbehaviour so everyone in the family enjoys life more
- set rules and routines that everyone respects and follows
- encourage positive behaviour
- take care of themselves as a parent
- feel confident they're doing the right thing.
