Welcome to Term 3

It is wonderful to have everyone back on board for Term 3. From all accounts our students have enjoyed their time at home with family and friends. This term we look forward to learning about the Olympics in Japan, learning basketball skills in PE, we have an excursion planned to the Ballarat Art Gallery, a cluster trip to the Halls Gap Zoo and four FSA days at Navarre PS. We also have Book Week in week 6 with the cluster leaders will be organising an event for the August 16th FSA day at Navarre.

From this week, Megan will be reducing her work hours here at Trawalla PS. She will be working on Mondays and Tuesdays. Megan will be working at the Beaufort Secondary College on Wednesdays – Fridays.

Full STEAM Ahead

This term the Pyrenees Cluster Full STEAM Ahead days will be at Navarre school. The dates are:

- Monday July 19th
- Monday August 30th
- Monday August 16th
- Monday September 13th

Permission forms for the FSA for Term 3 are attached. Please return to school by Friday July 16th.

Bookclub

Issue 5 is attached today. This does have the wrong date of 2020 on it. Please be assured that it is for 2021. Orders are due back at school by Friday July 23rd 2021.

Terry Floyd Foundation

Our students, along with students from across the cluster have benefitted from this foundation through the sponsorship of the animals at the Halls Gap Zoo. The foundation is contributing to a proposed cluster trip to the Halls Gap Zoo on September 7th, 2021.

The Terry Floyd Foundation was set up in memory of Terry Floyd, aged 12, who disappeared whilst waiting for a lift home from Avoca to Maryborough, Victoria, on 28 June 1975. The Foundation was established in March 2019 by Daryl Floyd, Terry's younger brother, in response to the overwhelming support for the search for Terry. This inspired Daryl, and a small group of volunteers, to set up the foundation focusing on turning Terry's legacy into a positive by making children's lives better.

The belief and vision of The Terry Floyd Foundation is to help support children live brighter futures. The main aims of the foundation are – To help with awareness of personal safety through encouraging children to speak out against bullying – To support disadvantaged children to help them reach their full potential.

We are selling Terry Floyd Foundation ribbons for \$2.00 each to raise money for this foundation that puts so much back into schools to support children to live brighter futures. Please send your money to school and we will send home your ribbon.

Family & Friends Day @ the Koorie Art Trail

Unfortunately this event did not go ahead as planned. We will reschedule to a day this term. We did however have a wonderful day here at school playing games with our special visitors. It was a treat to have our lunch orders from the Beaufort Bakery. Thanks to Miss H for organising the day and thanks to Megan for delivering the lunches to our school.

COVID-19 update

QR Codes

The Victorian Government has announced new arrangements for schools in Victoria from and including Friday 9 July.

QR codes will be required to be used by:

1. all parents who enter buildings when on the school site
2. all visitors, including contractors, external Department staff and building and maintenance staff

QR code check ins will not be required for staff or students.

Face Masks

School staff (primary) are not required to wear a face mask while at school when interacting exclusively with staff and students from their school. School staff (primary) must carry a face mask at all times, unless a lawful exception applies. School staff (primary) should wear a face mask indoors at school when interacting with external visitors, including parents/carers and staff/students from other schools. Children under 12 years of age and students at primary school are not required to wear face masks when at school,

School staff and students must also abide by face mask requirements when attending public venues.

Visitors and parents must observe indoor face mask requirements.

Thank you for your support and understanding of this important health direction. Please contact the school if you have any questions or concerns.
