Cluster FSA Days

Cluster days at Navarre are on the back burner at the moment too due to COVID. We will conduct fortnightly assemblies via WebEx to connect with our cluster buddies. We also have a cluster trip to the Halls Gap Zoo pencilled in (fingers crossed we can attend this excursion).

The dates set are:

What's been happening...

Welcome back to term four!

Hopefully everyone had an enjoyable break. This term has started off great with all the children busy engaging in sensory play and creating an abundance of experiences. Lego construction has been a big hit and with the aid of the Woolworths bricks, the group has created a great mini shop to roleplay.

Outdoor exploration saw a scavenger hunt where nature was brought indoors to create an indoor house and garden. However, having seen the success of the garden, it was decided to change directions. This activity was then extended into an outdoor reptile hunt for the family of lizards living outside the room. With great triumph, the lizards did use the house and garden.

Recipe of the week

Homemade Apple Pie

Ingredients

- 6 cups thinly sliced apples
- $\frac{1}{2}$ cup white sugar
- 1 tablespoon butter
- 1 teaspoon ground cinnamon
- 1 recipe pastry for a 9-inch double-crust pie

Directions

Instructions Checklist

Step 1

Prepare your pastry for a two-crust pie. Wipe, quarter, core, peel, and slice apples; measure to 6 cups.

Step 2

Combine sugar and cinnamon. The amount of sugar used depends on how tart your apples are.

Step 3

Arrange apples in layers in pastry lined pie plate. Sprinkle each layer with sugar and cinnamon. Dot top layer with small pieces of butter or margarine. Cover with top crust.

Step 4

Place on lowest rack in oven preheated to 230 degrees C. Bake for 10 minutes, then reduce oven temperature to 175 degrees C. Bake for 30 to 35 minutes longer. Serve warm or cold.

Enjoyed by all – great work guys!
