## Principal update

As we come to the end of another week of Remote Learning, I again would like to congratulate all the grown ups for the amazing work you are doing to support your children. Without your support and hard work this would not be possible. So THANK YOU!

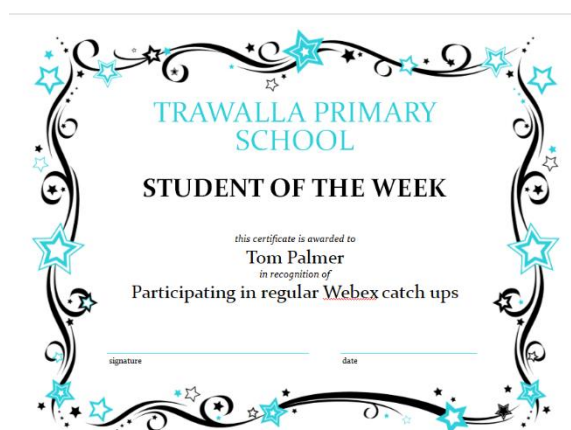

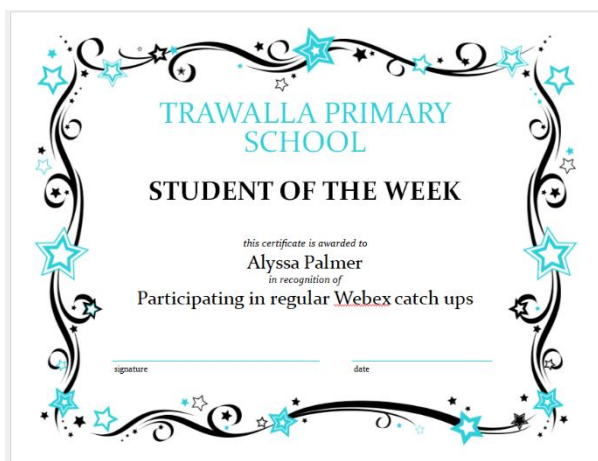

## Last week's Gift

I hope that each of the students found their surprise book that included in the pack last week. We thought it would be good to have something else for students to do especially now the days are getting colder.

## Attendance

Student attendance is to be recorded each day. Thanks to those who have been letting me know if students are working or unwell on any particular day.

## Students of the Week – Alyssa Palmer and Tom Palmer

## Week 5 Learning Pack

The folder has a daily running sheet for families to follow each day. Each day has reading, writing, spelling and maths activities. The plastic envelope has activities that can be completed at any time throughout the week. This week it includes PE lessons and the Art for week 5 which is a photography activity. The instructions are in the folder. There is also another Wellbeing sheet to work through.

## **Japanese**

Konnichiwa Trawalla Families. Each week we are uploading a new lesson to our website

[www.japanese4schools.com.au](http://www.japanese4schools.com.au)

The lessons include lots of videos, songs and craft to keep you all busy and practicing your Japanese. Don't forget to send through snaps of your work to Kate and Ms H. We miss you all and hope to see you soon! Ken and Peta Sensei ☺

P.S. Do you think this looks like us?

## **A Sound Way**

I have heard that some students are using this program that was loaded onto the USB that was in your pack last week. If you are having trouble running this program, contact Kate.

## **MARC Van**

It was great to see so many joining in for the MARC webex this morning. Kathy was thrilled to have so many happy faces to chat to. She read a book to the group. If you would like to see the recorded reading of this book, use this link...

## **Mother's Day**

We would like to wish all the special grown ups in our school community a happy Mother's Day this Sunday.

Due to COVID 19 the annual PFA Mother's Day stall could not go ahead so we have included a small gift you each of you to ensure you feel extra special on Sunday.

## **Prep Update**

Thankyou all again for an exceptional week of hard work. I know a lot of you have had your hands full and I appreciate the feedback and communication. Keep sending the photos of your child working, they make me very happy. I love to see that they are enjoying their learning and doing such a fantastic job at it as well. I have returned your scrap books with some feedback for you to keep.

## Week 4

This week I would like to do some reading assessment. I have included in your pack a book "Bubbles keep me clean", can you please organise a time to WebEx me so I can listen to your child read (this will be a new book for them, so please do not practise with them). I have assigned this for a Tuesday, however if that does not work we can arrange another time.

On the lesson plans I am including something new which will look like this (Independent). This is where I want your child to do this activity by themselves, this is for me to see how they are going. Also to give you a break for a few minutes.

All you have to do is go on the WebEx page <https://www.webex.com/> click join meeting and enter my number, you can do this on a mobile or a laptop.

The meeting number for my room is **579 112 368**.

**I am offering individual sessions on Tuesday, Wednesday and Thursday if anyone is interested. Otherwise please try and get on the daily WebEx through Kate's room at 9am if you can, just so we can see your face and check in. (If you are having trouble with this contact either Kate or myself)**
